SHOWPLACE PRODUCTIONS

Dear Exhibitors,

I would like to welcome everyone to the 2016 Showplace Spring Spectacular Series. This year we have added some new classes and a couple different ideas that will make your experience showing here an even better one.

Firstly we are giving the professionals a way to show their young horses in some classes with no entry fees. Only the Young Jumper Championship class for each section will have an entry fee, the regular classes will be free. We are also allowing all horses a chance to school on Tuesdays in Jumper Ring #5 with no entry fees. There will be scheduled times at different heights for you to give your horses experience over a full jumper course. You can use this opportunity to school your horses or to assist in business sales for horse trials in the actual show ring. We hope this gives you a chance to get some business done on Tuesdays with no additional cost to you.

We have increased the money in our Open Jumper sections with more money in the Grand Prix's along with increasing the Junior/Amateur Owner Jumper prize money. We have added a $20,000 1.3M section that will include (3) $15,000 1.30 Meter Grand Prix's along with a $5,000 1.4M section each week. We have added a few new classes to the program as well with an Accumulator class for the Junior/Amateur Owner jumpers. For the equitation kids, we have added an Equitation Championship to Sunday of week III. The kids will have to do everything for themselves with no help from their trainers. They will have to walk the course and school themselves and do everything on their own to test their horsemanship skills.

The increase in prize money could not be done without the help of some new sponsors. Marshall & Sterling will be our week I $30,000.00 Grand Prix sponsor. Marshall & Sterling is also the presenting sponsor of our newly created $150,000 1.30 Meter Grand Prix Series. I would like to thank Allyn Mann and Adequan for their support of all Showplace Production events. They will be the proud sponsor of the $40,000 Adequan Grand Prix week II. Their involvement with show jumping here in the Midwest is second to none and we are proud to have them be a part of the team. I want to thank Robert Scarnechia of Win Vision for their continued support. They are sponsoring the $50,000.00 Win Vision Grand Prix week III. Along with their sponsorship, you will see yourself on the best video boards made. They are fast becoming the video board for show jumping along with rock concerts and the NBA.

This is our third year of hosting three weeks at Lamplight in which we are able to have our USHJA $25,000 International Derby Presented by Bull Run Farm as well as our WCHR Member event that week. We would like to thank Andrea Redmond owner of Bull Run farm for their continued support of this great day. Trainers, save Tuesday June 14 for a meet and greet and welcome dinner hosted by Niche restaurant in downtown Geneva. Andrea Redmond is also the owner of this fabulous place to dine all through the circuit and everyone here at Showplace wants to thank them for their hospitality. We are also very happy to have Gene and Georgettis host our International Derby Day luncheon. Everyone should visit their new location in Rosemont while showing here in June because it will one of the best dinners you will have. We want to invite everyone who competes in Kentucky during our Weeks I & II to drive up and join us for our largest week of festivities and enjoy our Derby Week. I know that some of you haven't been able to join us in the past because of conflicts, but here is a great opportunity to come up and compete in our Derby in the Grand Prix Ring and compete and earn points for WCHR standings.

I hope you will join us for three great weeks of showing here at the beautiful Lamplight Equestrian Center.

Sincerely,

Patrick Boyle

Except as may otherwise be mandated by local law, the Federation strongly encourages all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/ SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. (Exception hunter, jumper, or hunter/jumper competitions refer to GR801.2) It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance. BOD 1/14/12 Effective 4/1/12. 8. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

SHOWPLACE PRODUCTIONS' GENERAL AND ANIMAL WELFARE POLICY FOR RIDER, TRAINER, OWNER, AND GROOM - Upholding the welfare of the horses exhibited here is of primary concern to Lamplight Equestrian Center and Showplace Productions. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose.

At all times while the horse is on the show grounds we will provide for the continuous well being of the horse by vigorously enforcing the rules of the USEF which pertain to the welfare of the horse. Exhibitors are cautioned that GR302 (which defines the USEF's policy on abuse), GR806 (which pertains to Poling), and GR320 (Which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity and must not include any technique considered to be abusive. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

To affirm the sport of show jumping to the general public in a positive, humane light and eliminate those training, methods which may be misconstrued, we are maintaining the following policy in all areas of the horse show grounds, starting one half hour before the first scheduled class of the horse show and continuing until the last scheduled class of the horse show is completed.

POLING AND OFFSETS - Manual poling and or the use of bamboo pole offsets are prohibited. Any rider or trainer found poling or using offsets, as well as the horse or pony involved, will be immediately eliminated from the class where the incident occurred, be suspended for a twenty four hour period starting from the time of the incident and will forfeit all entry fees. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show and all stabling, nomination and entry fees will be forfeited.

USE OF WHIPS AND SPURS - Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses their whips or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, may be suspended from further showing for a twenty four hour period starting from the time of the incident. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show in which the violations occurred and all stabling fees, nomination fees and entry fees will be forfeited. All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

DISCLAIMER - Neither the Showplace Spring Spectacular Series, nor The Lamplight Equestrian Center, nor Showplace Productions, nor the Show Committee will be responsible in any way for loss or damage to any persons, animals or property or equipment that may be caused by any horse or pony entered by him or due to the carelessness or negligence of the person or persons in charge of such horse or pony or of their subordinates. This competition takes place over six, eight, or ten obstacles with increasing difficulty. Combination obstacles are not allowed. Points for obstacles are increased based on both height and spread and difficulty of track. Bonus points are awarded as follows, one point for obstacle number 1 not knocked down, two points for number 2, three points for number 3, etc. with a total of 21, 36, or 55 points. No point is awarded for an obstacle knocked down. Faults other than knock downs are scored under table A.

This competition may take place either with the first round against the clock without a jump off, or against the clock or not against the clock with a jump off in case of equality of points for first place following the initial round. In case of a jump off there will be a minimum of six obstacles which may be increased in height and/or spread. The obstacles in the jump off must be jumped in the same order as in the first round and retain their respective points alloted in the first round.

If the competition does not take place against the clock with a jump-off, Athletes not qualified for the jump-off are placed according to their points obtained in the first round, disregarding the time. Athletes not qualified for the jump-off are placed according to penalties and time obtained in the first round.

For the last obstacle of the course, an alternative obstacle may be provided, of which one element may be designated the Joker. The Joker must be more difficult than the alternative obstacle and carry double points. If the Joker is knocked down, these points must be deducted from the total points obtained so far by the athlete. As an option, the Joker may be place after the finish line in which case it is not part of the main course and the following formula must be used. After the athlete has crossed the finish line his time is recorded and he has 20 seconds in which to attempt the Joker once should he so choose. if the Joker is jumper correctly, the Athlete earns double points of the last obstacle on the main course. If the Joker is knocked down (JRs Art. 217.1) these double points must be deducted from the total points obtained so far by the athlete.

Show Jumping Hall of Fame Jumper Classic Series

The Show Jumping Hall of Fame Jumper Classic Series is designed to give amateur-owner and junior riders an opportunity to compete at higher levels and serves as a proving ground for many riders who aspire to someday represent the United States in international competition.

With classes at approximately 100 horse shows across the country, the Series hosts separate junior and amateur-owner divisions in two Conferences—East and West. Series standings are used to help determine junior and amateur-owner entries for the National Horse Show and the Las Vegas National Horse Show.

Series winners receive year-end awards, and the Series offers Year-End Championship Finals for junior and amateur-owner riders at the National Horse Show and the Las Vegas National Horse Show.

Any horse show offering a class that meets all the criteria set forth in the Series specifications and has prize money of at least $1,000 is eligible to be part of the series.

The Show Jumping Hall of Fame Jumper Classic Series is sponsored by:
